"Ceaiul reprezintă una dintre cele mai frumoase declarații de dragoste a naturii pentru ființa umană, scrisă în versuri și impregnată cu aromele paradisiace ale fascinantei Grădini Eden."
by Michelle Rosenberg

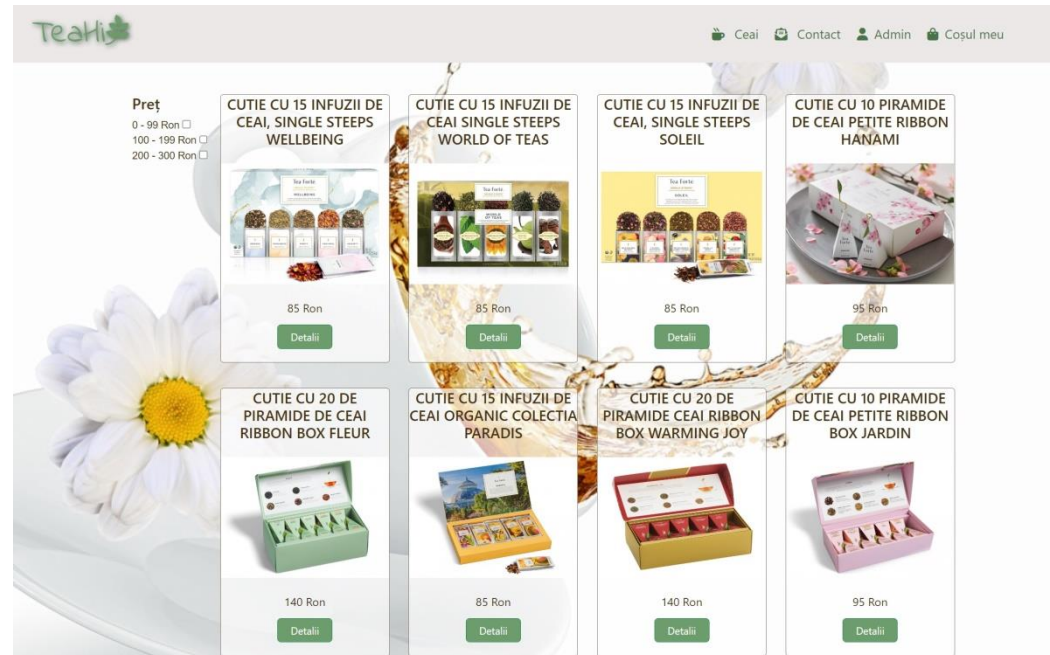

TeaHi - Magazin Ceai

Ceaiul are numeroase beneficii pentru sănătate, printre care: scăderea în greutate, reducerea riscului de infarct miocardic și de accident vascular cerebral, protejarea oaselor, întărirea sistemului imunitar și așa mai departe.

ADMIN

This page is for admin only. Here he can add, modify or delete products.

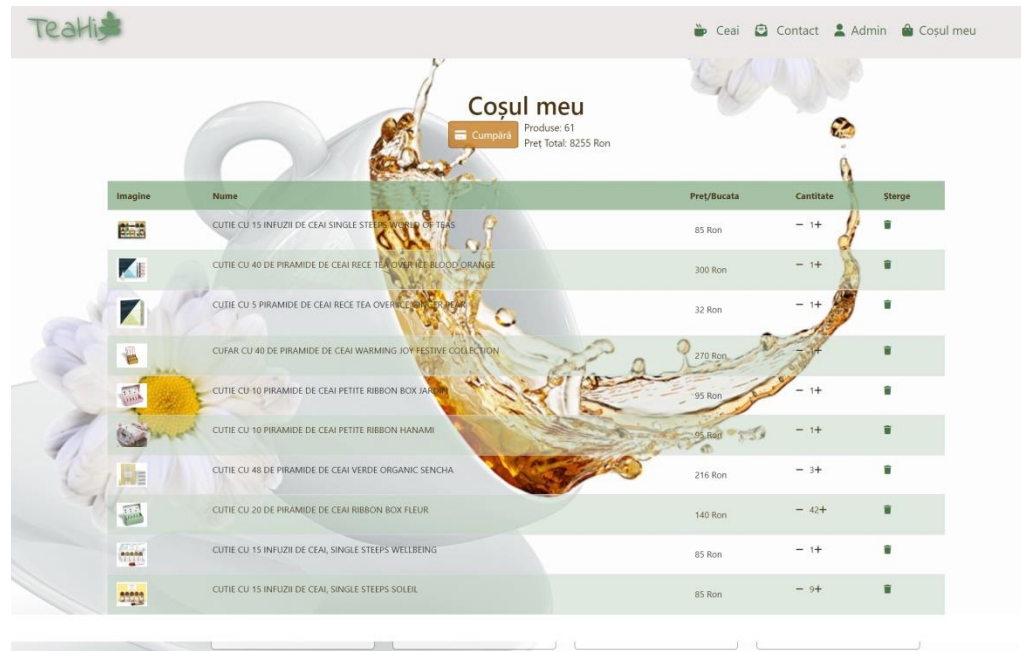

The screenshot shows the 'Gestionare Produse' (Product Management) page of the Teahly website. The page features a background image of a white teapot with a splash of tea and a white daisy flower. At the top, there is a navigation bar with the Teahly logo and links for 'Ceai', 'Contact', 'Admin', and 'Coșul meu'. A modal window titled 'Adaugare produs nou' (Add new product) is open, containing a form with the following fields: 'Imagine', 'Nume', 'Descriere', 'Pret', and 'In stoc'. To the right of the form are two buttons: 'Adauga' (Add) and 'Modifica' (Modify). Below the modal, there is a table listing the current products.

#	Imagine	Nume	Pret	In Stoc		
1		CUTIE CU 15 INFUZII DE CEAI, SINGLE STEEPS WELLBEING	85 Ron	10		
2		CUTIE CU 15 INFUZII DE CEAI, SINGLE STEEPS WORLD OF TEAS	85 Ron	10		
3		CUTIE CU 15 INFUZII DE CEAI, SINGLE STEEPS SOLEIL	85 Ron	10

COȘUL MEU

The customer has the possibility to increase or decrease the quantity of the products, or to delete them.

He can also see the number of products in cart and their total value.

BUGS & IMPROVEMENTS

Bugs

- I can add more products to the basket than are actually in stock (details page).
- By clicking on the “adauga” button, a new product will be added even if one or no fields have been filled (admin page).

Improvements

- Make it responsive for both tablet and mobile.
- The products added to the basket to be deducted from the stock.

Thank you for your attention!
